May 4, 2009

Dear Friends of Scouting,

The Central Minnesota Council, Boy Scouts of America, is centered on the Cub Scout Promise, Scout Oath, and Scout Law. Scouting is driven by leadership; it grows and develops leaders for tomorrow by demonstrating, cultivating, and practical application of leadership skills to today's youth. Scouting celebrates leadership as a key component of successful Scouting and is happy to announce that Ferrellgas is a proud supporter of the Scouting program.

If you use propane to heat your home, cook your food, or possibly dry your cloths Ferrellgas will donate 1% of the gas sales from those that support and are involved in the Scouting program. If you are a current customer of Ferrellgas, contact Ferrellgas and ask that 1% of your total purchase be donated to the Boy Scout program. If you are not a current customer of Ferrellgas and decide to become one, Ferrellgas will contribute an additional \$75.00 to the Scouting program. The funds raised by your phone call or e-mail to Ferrellgas will be donated directly to the Central Minnesota Council, Boy Scouts of America and will be applied to program costs keeping programs offered at a minimum cost to families in Scouting.

For more information on the customer referral program that is available to customers, please see the Ferrellgas' website at [www.ferrellgas.com](http://www.ferrellgas.com) or call 800-450-5705 for more information.

As a member of the Scouting community you already know the value that the Scouting program brings to our youth, families, and community. If you are currently customers of Ferrellgas, looking for alternatives, or in need of a provider, take a moment and make the call that will help the flame of Scouting continue to burn bright.

Sincerely,

Wade D. Bastian  
Finance Director  
Central MN Council  
Boy Scouts of America
