RIVER BATS SCOUT NIGHT 2009

The River Bats are proud to announce another Scout Night at the ballpark for the 2009 season. This year's event will be on Friday, July 31 at Joe Faber Field.

The first 168 Boy Scouts and Girls Scouts registered will get their tickets in the Scout Section. A game ticket includes a meal at the game (hot dog, soda, candy, and popcorn), and an opportunity to possibly participate in the on-field activities before the game.

A sleepover ticket can also be purchased for \$4 at the River Bats ticket office. After the game the Scouts can come out on the field and set up tents in the outfield. Following the game will be snacks, player appearances, games, and more. Breakfast and snacks will be available in the morning for the campers as well.

Tickets will go on sale May 9th for the Scout Night event, and will sell out after the first 168 tickets are sold. Tickets are \$14 per person for the game ticket, and \$4 for the sleepover ticket. Tickets can be purchased by contacting the River Bats front office at (320) 240-9798.
