

## **Klondike Derby 2010**

Dear Scoutmasters,

Please take the time at your next scout meeting to share this information with your scouts. This year's winter event is closing in quickly and the theme this year is a Klondike Derby. I am including a Klondike Sled Information Guide with this letter that should answer most of your questions. The guidelines are very broad and allow for the scouts to be very creative in the way in which they can design and build their sleds. The sleds must have been built after last years Klondike Derby and they cannot be reused from year to year. **The only items that you may re-use are the runners.** If your troop has anymore question please contact me at 320-251-3930 ext. 113.

Yours in Scouting,
