Please open or add to our existing unit account with the attached check.

Amount of check \$_____

UNIT ACCOUNT: The purpose of a unit account is to help service units when purchases are made. It is a holding account, whereby credits and debits are recorded when money transactions occur; these may include purchases of books, badges, registration, event registration or credit on popcorn sales, etc. Purchases can not be honored if the unit account has a negative balance.

The following unit persons are authorized persons to make purchases at the Service Center.

1. _____

3. _____

2. _____

4. _____

Authorized by unit committee chair _____
