

Camp Guidelines

- Shoes must be worn at all times around camp – No open toe sandals.
- Anyone leaving camp early MUST sign out.
- Campsites must be inspected before you leave camp or receive your patches.
- Garbage needs to be brought to designated areas each night before going to sleep. There are critters in the woods that will find your stash!
- Garbage should not be burned in your fire ring.
- You must report any cuts, scrapes, or boo-boos to your Program leader for first aid treatment and documentation.
- The buddy system is to be used at all times. No boy is to go anywhere alone at any time.
- Any knife purchased at the trading post should be given to a parent to hold. (Scouts must have Whittlin Chip card in possession to have a knife)
- Trading post hours will be posted on the trading post door.
- Glass bottles and containers are prohibited.
- Park in designated areas.
- If you must smoke, do so out of sight from the kids.
- Handle behavior problems as they occur. If a problem arises that cannot be solved, bring the boy to Administration and contact the Camp Director.
- We will recycle. Please deposit all trash in the proper container.
- Look for sunshine, prepare for rain. Camp will not be cancelled due to rain. There will be appropriate indoor activities if needed.
- Do not make a campfire unless you have proper equipment to put it out.
- Fires should never be unattended.
- Lights out means all boys are in their tents, all quiet.
- Help is always needed in the kitchen: dishes, serving, cleaning and such.

Please volunteer!!

Have fun and be safe!
