

How to Register for Camp Parker

Please read through before you start your registration process!

Please Logon to: <http://ParkerScoutReservation.kintera.org/SummerCamp12>. Or follow the link from our website at www.bsacmc.org.

There are four pages: Home, Information, Register for Camp Parker, and Spread the Word. Check them all out! “Register for Camp Parker” will guide you through the registration process. Note: Have all the information in front of you when you log on. It will be easier to navigate through the choices of sessions and themes.

There is a 32 boy limit for each camp theme per session. There are no limits for adults. Click on the thumbnail (small theme picture) for youth, the “big picture” screen will tell you how many spots are left for that session. When your choices have been made, and your information is processed on the website, we will be notified of your reservation, keep in mind:

- It is important that you enter a complete roster. Rosters are required fields. If there is no one for a particular roster, type in ‘none’. Age/Gender is especially important for castle assignments.
- No payments will be taken on-line.
- Please press “Submit”, then PRINTABLE VERSION, to print the final page to send with your payment. **Print a copy for your records, too.**
- IMPORTANT! Send with your check **or** call 320-251-3930 with your credit card number within 1 week to finalize the registration. Reservations without prompt payment are subject to cancellation.
- **Please register for and print one session at a time.** This will help us, and you, keep the reservations clear and separate.
- You **may** write one check for multiple sessions.
- **If you need to reserve tents**, please select the “Product Listing” included under your session choices.

Please report any typos, mis-entered data, or otherwise incorrect script:
E-mail mary@bsacmc.org Thank you!
