

2012 Alpha Lupus, Kota High Adventure & Kota Expedition Winter Camps

Dates:	Session #1	January 20 – 22, 2012
	Session #2	February 03 – 05, 2012
	Session #3	February 10 – 12, 2012

Description of Event: (more information at www.bsacmc.org click on winter camps)

Alpha Lupus is a weekend winter camping school designed to teach Scouts, Scouters and Venturers the basic skills needed to operate a safe outdoor winter program for your own unit. Cross country skiing and snow shoes are introduced at every level. Alpha Lupus is open to any registered Scout, Scouter or Venturer who desires to learn how to have safe fun during Minnesota's best 6 months of camping (participants must be second class and 12 years of age or older, and should have some winter activity experience as a Webelos Scout, or with other group programs).

There are different program camps during each weekend.

Alpha Lupus is for first time campers. Novice instruction, with winter camping training provided. "You will learn how to include winter camping in your troop's program" for "fun" not for survival. (Maximum – 32 per weekend)

Kota 1 High Adventure is **for experienced winter campers only**. You must have attended at least 1 Alpha Lupus training weekend to participate in this outdoor program, or approved by your troop leadership. Gourmet meals, quality camaraderie, and merit badge components are available in this weekend experience. (Maximum – 24 per weekend)

Kota Expedition** is for a select group of 6 experienced Scouts, who will be totally on their own in the vast expanses of the Great North Woods. This group of young men or women will travel cross country from outpost to outpost utilizing all the knowledge they have. Part of this program incorporates Ski Planes and intro to Aeronautics. ***You must be a Venture crew member to fly in the ski planes. (Flights will be determined by weather conditions).
