Dear New Life Scout:

Congratulations to you on attaining the rank of Life Scout.

Each step along the trail of advancement has provided you with opportunities for experiencing new programs. You have grasped these opportunities, mastered new skills, expanded your knowledge, and had fun at the same time.

Just over the horizon, one rank away, lies the distinction of being one of the few who reach the pinnacle in Scouting – the Eagle Scout rank. I challenge you to join these elite few by completing the rank of Eagle Scout.

To assist you with your Eagle Scout service project, we are providing you with the enclosed packet. You will use this packet as you plan, receive the necessary approvals, and carry out and then report on the completion of your project. Please keep **copies of all documents** that are submitted to the Council Service Center. If you have access to the Internet, a great source of Eagle Information (service projects, ceremonies, Life to Eagle information) can be found at www.eaglescout.org/finale.

1. Your District Eagle Board Chairman must give approval of your Eagle Service project report before you begin to execute your project. Project workbooks need to be submitted to the Council Service Center by the Monday prior to the third Thursday of the month to be reviewed at the Eagle Board of Review for preliminary approval.
2. The Eagle application, final service project report, and sealed reference letters must be submitted to the **Council Service Center at 1191 Scout Drive, Sartell, MN by the Monday prior to the third Thursday of the month, prior to the month you wish to be reviewed.**
3. You must include in your packet the letter from Requirement #6 from the Eagle Application when submitting it for final review.
4. You will be contacted by the District Eagle Review Chairman as to the date, time, and location of your review.
5. You will be reviewed by a board of 3-6 people.

Best of success as you strive to attain the rank of Eagle Scout.
